

Bosnia TPP Ugljevik to contract Mitsubishi-Hitachi-Rudis for 100MEUR FGD project

Bosnian coal miner and energy producer RiTE Ugljevik is set to sign a deal with a consortium led by Japanese company Mitsubishi Hitachi Power Systems, a joint venture comprising Mitsubishi Heavy Industries and Hitachi, on the instalment of desulfurization equipment at its thermal power plant, local media reported on Monday. The consortium consisting of Mitsubishi Hitachi Power Systems, Mitsubishi Hitachi Power Systems Europe and Slovenian co Rudis was selected following the completion of a tender procedure, news agency Srna reported.
